# CUSTOMIZED PROGRAMMING

## Step Up, Speak Up & Show Up

Whether you own your own business or work for a corporation —every aspect of your professional life involves how you step up, speak up, and show up with others. Confidence and internal and external communication skills are vital for you to succeed but are you aware of what may be sabotaging them? Confident communications is so much more than the words you speak and navigating your career or business is so much more than the skills you have. Take charge of your personal thoughts and experience the professional results that you deserve!

## How to Create More Clarity and Focus on What Matters Most

Many people tie efforts to results, but it's really about the right effort to get the results that you deserve. In this virtual presentation, you'll get the strategies to create an extreme sliver of focus so you dedicate your time and efforts to the right things, not everything. You'll get the tools to take massive action every day to build the momentum you want, and the framework to keep your attention on what matters most - the outcomes you desire. Create a deliberate and intentional focus for the way forward in your career and life!

*"Debbie is masterful at asking thought provoking questions and challenging individuals to view things from a different angle and seek opportunities in ways you may not have thought possible." Evan Krueger*
