2020 PROGRAMMING

From Frustrated to FOCUSED: A Road Map to YOUR Career

In this highly interactive program, you'll learn the 4 steps that increase your clarity of direction in your career. You'll discover how to focus on the right opportunities, maintain your momentum and results, all without losing who you are and why you chose this profession in the first place.

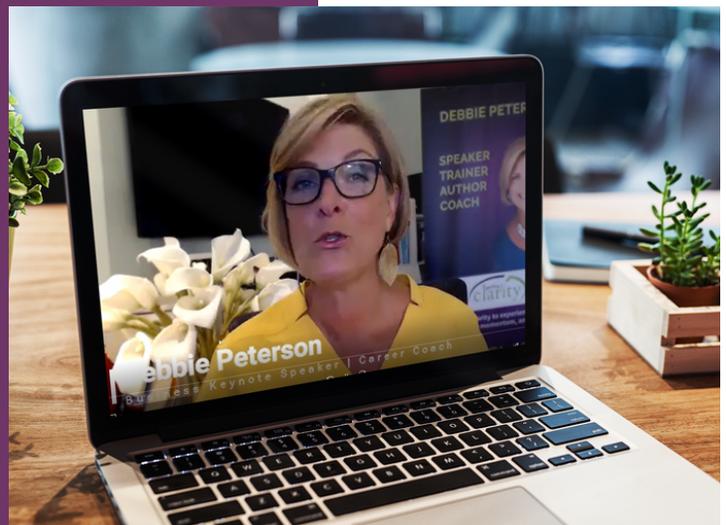

The Successful Mentoring Mindset: Where Passion, People & Profits Intersect

Mentoring is a powerful process, but it isn't always what you think it is. Discover the subtle nuances of mentoring and how you can put this powerful tool to work for you. Get Clarity on all of the different methods that can be utilized and walk out the door with a plan to implement a mentoring relationship that grows your career in ways that you've never considered.

Teamwork Makes the Dream Work: How to Communicate in a Multi-generational Workforce

In any organization, you need your team to work for the dream to work! But when communication and collaboration don't happen, then productivity, performance, and profits don't either. If you want your audience to be able to take their communication to the next level, then this is the program for you.

CUSTOMIZED PROGRAMMING

Women in Business

Step Up, Speak Up & Show Up

Whether you own your own business or work for a corporation —every aspect of your professional life involves how you step up, speak up, and show up with others. Confidence and internal and external communication skills are vital for you to succeed but are you aware of what may be sabotaging them?

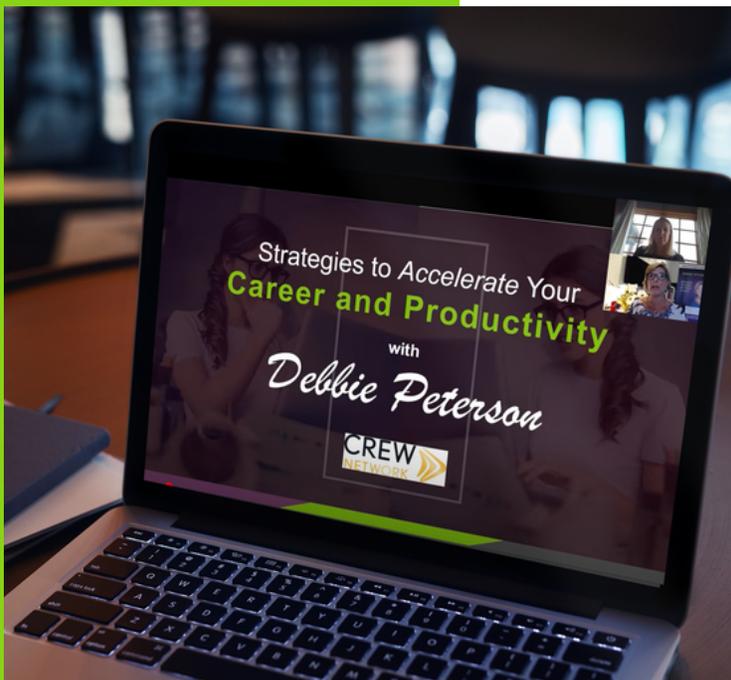

Confident communications is so much more than the words you speak and navigating your career or business is so much more than the skills you have. Take charge of your personal thoughts and experience the professional results that you deserve!

Realtors
